Dear Voucher Participant

The Brockton Housing Authority has scheduled a meeting to get your input on innovations we are considering implementing because of our MTW status. We are looking to use our financial flexibility to develop or redevelop public housing and/or affordable housing units. We are also considering developing a fund to make security deposits for first time voucher holders. It is our belief that these innovations will make it easier to find an apartment.

The meeting will be held at 1090 Main Street on July 28, 2023 at 2:00 PM.

You are welcome to attend.
